MEMORANDUM FOR: Director of Security

FROM: R. W. Manners  
Director, Foreign Broadcast Information Service

SUBJECT: Expansion of the Independent Contractor (Yellow  
Badge) Program (U)

1. This memorandum contains a proposal for your concurrence. (U)
2. In order to accommodate the need to employ Independent Contractors who have yet to complete Staff processing, it is proposed that the current Yellow Badge contractor program be expanded. Your concurrence is requested to permit FBIS to employ Independent Contractors, in a Yellow Badge capacity, who have achieved a level of processing (Security & Medical), but who have yet to be approved for Staff Like access. (C)
3. Individuals employed under such a program would work in an unclassified off-site building but would have access to the Reston compound. All data and material to which they would be exposed would be unclassified and staff-controlled. Your assistance in establishing this program would be greatly appreciated. (C)
